

# Disaster Health Services Response Workshop

**We Need Your Help  
All Health Professionals**

This Red Cross Disaster class will orient licensed or certified health professionals to the roles and responsibilities of a Red Cross Health Services Volunteer. Learn to meet the disaster-related health needs of clients in Red Cross Shelters and disaster areas. You will be able to work within the local chapter or be deployed to a Red Cross disaster relief operation nationally, and function as health professionals, providing appropriate assistance according to Red Cross Health Services Protocols.

**JANUARY 31
